

CH 6 – CONTRACTS – PARTNER PROJECT

For this assignment, you and ONE partner are going to create an Infographic detailing the following topics from Chapter 6. The rubric for this activity is at the bottom of this document.

Create an infographic showing:

1. The elements required to form a contract
2. The requirements of an offer (include examples of each)
3. List and describe the various ways to end offers
4. The requirements of an effective acceptance and how it can be communicated.

Go to: <http://www.easel.ly/> - to begin. Choose your format and create one infographic to turn in. SHARE A COPY WITH ME VIA GOOGLE DOCS and make sure both partners' names are in the email.

Then Go to: <http://www.pixton.com/>

Create a comic strip that demonstrates an example of offer and acceptance of an offer creating a legally binding contract.

When you finish, send a link of the finished document to ssnodgrass@nettlecreek.k12.in.us for me to grade.
